

# Lobby Day

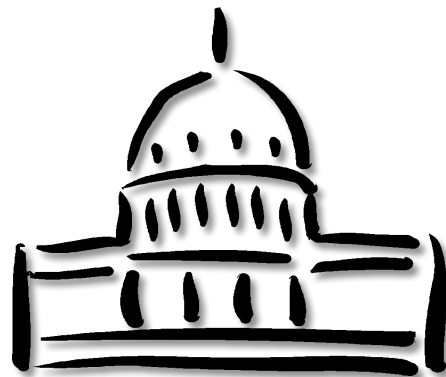

**RIDE THE BUS WITH AFT ON MONDAY, MARCH 13!**

Texas AFT invites all educators and support professionals to join us in Austin on the first Monday of spring break, March 13, for the **2017 Texas AFT Lobby Day**. It is our turn to educate the Legislature about our priorities, and tell them to do what's right.

**Register now to join us in Austin on March 13.** AFT will provide free round-trip transportation, and all participants will receive a legislative orientation and lunch on the Capitol grounds. Thousands of community college and public school employees will be mobilized for this event to rally for our public schools. You do not have to be a member of AFT to participate.
