## FACULTY LOUNGE TO BECOME REALITY

During the Board meeting on February 11, 1982, Trustees Robinson and Wells spoke in favor of the creation of a faculty lounge on this campus as well as on the second campus. In response, President Thorne stated that plans were being made for a faculty lounge on this campus; the lounge would be located in the Student Center, in the area that now serves as Pat Dawson's office. This renovation will take place sometime after the remodeling of the administrative offices.
